

Sue Eifler, Council Secretary

My St Peter Story:

I am a lifelong Lutheran with a bit of an early ecumenical history of attending Sunday school, VBS and church camp at a local Baptist church as a child. When my family later moved to Barry County, we resumed attendance at the family church in Hastings where I had my first communion and confirmation. This is also the church where Duane and I were married and our daughter, Katie, was baptized.

What I bring to St Peter:

Duane and I joined St. Peter in 1993 finding it to be a welcoming and loving church much like the one I grew up in. Walking through its doors, St. Peter was teeming with energy and wonderful opportunities for worship, Bible study and community service.

Our son, Alex, was baptized at St. Peter and both kids had their first communions and confirmations here. My sister and her family joined shortly thereafter as well as Duane's mom and husband and our family history has continued here ever since. Our grandson, Brogan, was also baptized at St. Peter.

This is my third time serving on Church Council where I welcome the opportunity for God to work through me. I have been blessed to serve St. Peter in many other roles over the years, but serving our youth, supporting our members and helping those in need have been most fulfilling for me.

Career:

I currently work for a firm that helps people resolve their tax issues.

Hobby/Interest:

My hobbies include camping, spending time with family, and enjoying all things Michigan including visiting small retail shops and local craft brewpubs. I am also part of a Bunco group that is like family to me.

Fun fact:

I love St. Peter and our church family who has supported us in so many ways over the years including during my cancer treatment a few years ago. I can't wait to see the great plans God has in store for St. Peter!
